

DOME CLUB – Spring 2017

General Program Philosophy: We want all the kids to play a lot, have fun with their friends, and learn the skills of volleyball in a positive group environment. The emphasis of the Dome Club is on learning, fun, and development as part of a team. This is not a competitive program and winning will not be a priority.

NOTE: Specific tournament schedules will be done for each tournament to try to give all teams the best competition possible. These schedules will be posted on our website about a week prior to each tourney.

Go to www.volleydome.net
click on **Youth** at the top
then click on **Dome Club** on the left.

Dome Club Tournaments will be self-refed by the coaches and the emphasis will be on everyone playing a lot and learning long term team skills.
